

# Healthy Forests, Healthy Lakes

Hosted by NH LAKES

Wednesday, December 1, 7:00 – 8:00 p.m.

## Zoom Chat Box Discussion

- 00:48:00 Nina Lian: We are seeing the speaker view and not the audience view.
- 00:50:44 Nina Lian: monitors?
- 00:52:46 NH LAKES: Thank you!
- 01:05:49 Nina Lian: How does one treat these diseases if found? Can we control it?
- 01:06:53 Marissa Carter: How do we report new cases of Woolly Adelgid if we find it in new towns?
- 01:13:33 Cheryl Weston: do the chemical treatments also kill good insects?
- 01:14:19 Barbara MacNeill: are the chemicals safe to use near lakes & streams
- 01:14:46 Stephen Barker: Will that affect birds as well?
- 01:15:23 Nina Lian: If we want to plant trees to replace other trees near lake and streams what would you recommend?
- 01:16:01 Nina Lian: As the trees age for example
- 01:19:19 Nina Lian: Thank you!
- 01:19:27 Marissa Carter: Thank you!
