

LakeSmart Lake-Friendly Living Service Provider Program 2022 Application Form

YES! We want to apply to participate in the LakeSmart Lake-Friendly Living Service Provider Partner Program! We're excited to show the NH LAKES membership, program participants, our customers, and the public we understand the value of clean and healthy lakes to our environment, our personal well-being, and our communities and economy.

Here's how the LakeSmart Service Provider Partner Program works:

- This program offers a tiered-menu of opportunities for service providers that will help raise your brand, drive customers to you, and increase sales.
- Participation is based on geographic region and type of services provided.
- If you are interested in being a partner in more than one category and/or in more than one region, you receive an overall 10% discount.
- Participation in each tier is limited.
- At renewal periods, you have the right of first refusal to continue to participate at your current level and rights of second refusal to participate at a higher or lower level.
- In 2022, an option for a 3-year commitment, at an overall 10% discount, is offered.

Here's how the application process works:

- If you are interested in becoming a LakeSmart Service Provider Partner, you are invited to submit an online application for consideration.
- The application period for the 2022 LakeSmart Program is open from November 1, 2021, to February 1, 2022.
- The link to the online application for is found on the NH LAKES website at nhlakes.org/lakesmart. (To access the application directly, [click here](#). If you are unable to submit an online application, please contact us at 603.226.0299 or lakesmart@nhlakes.org.)
- A selection committee will review your application.
- You will be notified of your acceptance into the program by April 1, 2022.

Please Note: Submitting an application does not guarantee that you will be selected to participate in the LakeSmart Service Provider Partner Program. You must meet certain eligibility requirements and agree to specific conditions.

Part 3: Eligibility Requirements

Participation Requirements

If selected to participate in the LakeSmart Service Provider Partner Program, we will agree to do the following (you must check off each box to be eligible):

- We will participate in an annual LakeSmart orientation provided by NH LAKES (approximately 1 hour).
- We will promote the LakeSmart program and our participation on our website & social media channels.
- We will promote the LakeSmart program with our clients and encourage their participation.
- We will provide one LakeSmart guidebook (physical, hard copy) to our customers at the point of service. (NH LAKES will provide complimentary bulk copies to you.)
- If we also choose to provide the LakeSmart guidebook digitally, we will provide the link specified by NH LAKES.
- Periodically, we will assist NH LAKES in developing/hosting LakeSmart workshops and demonstrations.
- We will commit to and uphold the LakeSmart Service Provider Partner pledge:
“As a LakeSmart Service Provider Partner, we commit to doing our work in a way that supports clean and healthy lakes and to help our customers live in a lake-friendly way.”

Comments:

Memberships, Certifications, and Training Requirements

If selected to participate in the LakeSmart Service Provider Partner Program, we will agree to maintain the following applicable memberships and/or certifications and will participate/verify that we have participated in the following applicable trainings (you must check off each box that applies to your services to be eligible):

- Wastewater Service Providers:** Membership in the Granite State Designers & Installers Association; Current New Hampshire Licensed Septic System Evaluator
- Architects & General Contractors & Homebuilders:** Membership in the NH HomeBuilders Association
- Landscaping Service Providers:** Trained in Ecological Landscaping for Water Quality Protection (through UNH Cooperative Extension); Current certification as a New Hampshire Landscape Professional
- Providers that offer snow removal services:** Current certification as a New Hampshire Department of Environmental Services Salt Applicator (through the Green SnowPro Program)

- Other:** We would like to provide a listing/explanation of additional memberships, certifications, and trainings that would make our team a great LakeSmart Service Provider:

Comments:

Environmental Requirements

We certify that your team knows how the New Hampshire Wetlands Rules and the ShorelandWater Quality Protection Act applies to the services we provide AND we adhere to the requirements (select one response):

- Yes**
- No** (if you select this option, you are not eligible to participate in the service provider partner program)
- Not sure, but we want to learn more!** (NH LAKES can provide you with information.)
- Not applicable** (applies to Banking & Lending & Estate Planning Institutions, and Marine Sales)
