“Keeping the Family Lake House in the Family”
Webinar Offered by NH LAKES and McLane Middleton

Concord, N.H., April 22, 2021 – Join NH LAKES and McLane Middleton on Wednesday, May 5, at 7:00 p.m., for the webinar “Keeping the Family Lake House in the Family.”

Family properties along our lakes are special places, often passed down and enjoyed and cherished by generation after generation. Sometimes, though, hanging on to the family lake house can be challenging and complicated. Tune in to this session and hear from two New Hampshire attorneys with extensive experience helping families plan gracefully for the future of their beloved property.

This session will be presented by Caitlin McCurdy, Associate, Trusts & Estates Department, McLane Middleton and Christopher Paul, Director and Chair, Trusts & Estates Department, McLane Middleton.

This webinar is part of the “Explore Lakes with NH LAKES” webinar series sponsored by Grappone Automotive Group. These webinars are FREE, but pre-registration is required, and space is limited. Visit nhlakes.org/explore-lakes-webinars to learn more and sign up!

Established in 1992, the mission of NH LAKES, a statewide, donor supported nonprofit organization, is to ensure that New Hampshire’s 1,000 lakes are clean and healthy, now and in the future. To achieve its mission, NH LAKES works with partners, promotes clean water policies and responsible use, and inspires the public to care for our lakes.
