**“New England Ice Harvesting”**  
*Free Webinar Offered by NH LAKES*

Concord, N.H., January 13, 2023—Join NH LAKES on Wednesday, February 1, at 7:00 p.m., for the webinar “New England Ice Harvesting.”

Ice harvesting on New England’s lakes in past centuries provided cold cash for small farmers and industry magnates alike, and it still takes place in some locations today! Join us for an invigorating look into this tradition.

This session will be presented by Jane M. Hennedy. Jane is with Historic New England, a nonprofit with the mission to tell the full New England story. Jane has more than thirty years of experience in caring for and sharing local history.

This webinar is part of the “Explore Lakes with NH LAKES” webinar series. Pre-registration is required, and space is limited. Visit [nhlakes.org/explore-lakes-webinars](http://nhlakes.org/explore-lakes-webinars) to learn more and sign up!

Established in 1992, the mission of NH LAKES, a statewide, publicly supported nonprofit organization, is to restore and preserve the health of New Hampshire’s lakes. For more information, visit [nhlakes.org](http://nhlakes.org), email [info@nhlakes.org](mailto:info@nhlakes.org), or call 603.226.0299
