Otters, Beavers, Turtles, & Frogs!

Webinar offered by NH LAKES and the New Hampshire Fish & Game Department

Concord, N.H., October 26, 2020 – Join NH LAKES and the New Hampshire Fish & Game Department on Wednesday, November 4, at 7:00 p.m., for the webinar “Otters, Beavers, Turtles, & Frogs!”

Our lakes are home to many animals, including otters, beavers, turtles, and frogs. Find out about the fascinating lives of these critters and where they go and what they do during winter.

Presented by Patrick Tate, Wildlife Biologist, New Hampshire Fish & Game Department, and Josh Megyesy, Wildlife Biologist, New Hampshire Fish & Game Department.

This webinar is part of the “Explore Lakes with NH LAKES” webinar series—a monthly series being offered through spring 2021. All these webinars are FREE, but pre-registration is required, and space is limited. Visit nhlakes.org/explore-lakes-webinars to learn more and sign up!

Established in 1992, the mission of NH LAKES, a statewide, member supported nonprofit organization, is to ensure that New Hampshire’s 1,000 lakes are clean and healthy, now and in the future. To achieve its mission, NH LAKES works with partners, promotes clean water policies and responsible use, and inspires the public to care for our lakes. For more information, visit nhlakes.org, email info@nhlakes.org, or call 603.226.0299
